

The Bible Weekly Dispatch

February 4, 2019

Volume 4, Issue 21

Dear Parents,

Thank you so much for continuing to help your students be on time with their work for the American Heroes Project. Your support never ceases to amaze me! There are a handful of students who are a couple pages behind in their packets. If they did not get them done over the weekend, I will reach out to you and let you know if your student is behind. Final pages are due 2/11/19. I have on the due dates due 2/8/18 but they do not have school that day due to conferences.

Speaking of which, conferences are on 2/8/19. If you would like to sign up for conferences I have give the link below. These conferences are optional. I will send home quarterly summary sheets for each student regardless of coming to the conferences or not. I will send those home on Thursday. https://www.parentsquare.com/schools/219/sign_ups

The next Alek's homework will be posted on Sunday. While kids get time to work on the assignment in class, their times this week will be cut short due to no school on Friday. If at all possible, it would be a good idea for students to work on Alek's at home when they can this week. This week, I am going to include some questions about Fractions...which we don't get to until our next Math book. Students may need help with these questions. Alek's is a great learning tool for the state assessments coming up in April

Information regarding "Third Grade Night at the K!" will be coming home soon. This is a tradition that HTS has been a part for more than 20 years. This is a night where third grade kids and families can get together for a fun and relaxing night at Royal's Stadium. This is always a fun night and we hope everyone can join!

Finally, Students will take their Weekly Reading and Spelling Tests on Thursday this week due to the short week.

Thank you and have a great week! Carolyn Bible
