

The Bible Weekly Dispatch

May 13, 2019

Volume 4, Issue 33

Dear Parents,

This week, students will take their final Star Reading and Star Math tests. Star Math will be taken on Wednesday, May 15th and Star Reading will be taken on Thursday, May 17th. If possible, I hope that all students will be able to be here that day.

Friday, May 18th, will be the students last Reading Assessment of the year. (And the students go wild...) They can hardly contain their excitement! :) Friday, will also be the last day for students to try to achieve their AR goals for the AR Party. Right now, the AR party is scheduled for Tuesday, May 21st. It is my hope for all students to be able to partake in our last celebration together!

As our year draws to an end, students are getting antsy (as am I). However, it is important that our kiddos stay focused. With that being said, I still expect all homework to be turned in on time for this last full week of school. The kids know they will miss out on carnival if they have any outstanding assignments. The carnival is a privilege and they have known my expectations of completing work since day one.

Words can't express how wonderful it's been being your student's teacher this year and your unending support leaves me speechless! The end of the year is always bittersweet! I love these kids dearly. They all have a very bright future ahead of them. Thank you for sharing them with me.

Have a wonderful SUMMER! -Carolyn Bible
