

The Bible Weekly Dispatch

May 6, 2019

Volume 4, Issue 32

Dear Parents,

Our school year is rapidly drawing to a close. I am a bit sad because I have really enjoyed my time with this group of kids. However, I am so proud of all they have accomplished this year.

Like the end of any school year, we are super busy with planned events. This Friday, kids will participate in the School Fitness Fair and our annual school wide Wacky Walk is this Friday. Please be sure to have students turn in their Wacky Walk Fundraising Envelopes this week! We also have our annual HTS Car Show after school on Friday, as well. I hope to see everyone there. I will be there with my family!

Students will take their final Star Math and Star Reading Tests next week (5/15/19—Star Math, 5/16/19—Star Reading). I love to see the progress these students have made over the course of the year.

This week, students will continue to study about Forces and Motion and will begin a short unit on Natural Resources. This unit leads into our Recycling Project I am planning for the kids to complete at school. Please, continue to send in recycling materials to the classroom: shoe boxes, bottle caps, milk jugs, pop bottles, etc... Anything is acceptable. THANK YOU!

Have a wonderful week! Carolyn Bible
