

The Bible Weekly Dispatch

November 4, 2018

Volume 4, Issue 12

Dear Parents,

Thank you for continuing to work with your kids at home to keep up on their research for their animal projects and 3D box dioramas. They are all doing a great job. All animal project packets are due this Monday, November 5. We want to make sure they are available for kids to use as they continue to create their Powtoons. We will show the power points during Grand-parents' Day!

We will take Reading and Spelling tests (2.5) on Friday, November 9, 2018. This is when all reading packets will be due as well. After this week, we are now back on track with our reading tests being weekly.

This week, we will celebrate Veteran's Day. One of our class projects is to write "Thank You" cards to our active soldiers and veterans. It's a great project where students can show their appreciation for all they do for us!

Also, just a heads up, the Animal Box Project is due November 14th!

Thank you and have a great week!

Carolyn Bible
