Volume 4, Issue 1

Dear Parents,

School is in full swing this week! In third grade, we will be delving into our curriculum and will continue to practice rules and procedures around the school.

I am excited to see all of you, again, at our Back to School Night on Tuesday! Your kids have been such a joy to have in class the short amount of time we had together last week and I can't wait to brag on them a bit. Back to School night is a great way for me to share what you can expect from your third graders this school year!

Parentsquare is the online communication tool that we use here at HTS. I use Parentsquare to relay important reminders, as well as updates on classroom activities. Please let me know if you have trouble logging into Parentsquare.

Thank you for completing your "Parent Homework Assignment." If you have not had a chance to do so as of yet, I will have extra copies available at Back to School Night. I would appreciate it if you could return your "homework" by this Friday (if you haven't already done so). This homework will help me better support your child in the classroom.

Thank you! Carolyn Bible
